NOTES:

1. Soloy Aviation Solutions issues a set of publications with each conversion purchased. It is the customer's choice to receive paper copies or electronic copies of these publications. These publications, whether paper or electronic, include revision service for the balance of the current calendar year.
2. Yearly subscription service runs from January 1 through December 31 of each year.
3. All electronic publications will be the most current edition of each publication.
4. Flight Manual Supplements available through the website are always current but are for reference only. If they are printed they are "Uncontrolled Copies". Revisions to the flight manual supplements will be supplied at no additional charge, except shipping charges, in paper format to all publication subscribers.
5. If you have a requirement for one particular publication only, please contact Soloy Publications Department direct for pricing.
6. If your paper manuals are out of date, you must purchase a new manual. Previous revisions are not available once they have been sent out. Additional and/or replacement manuals are also available.
7. In the event of transfer of ownership, Soloy Aviation Solutions **MUST BE** notified of the new operator, including accurate address, contact information, aircraft model, manufacturer's serial number, registration number and previous owner in order to provide service. Such information should be forwarded to the attention of the Technical Publications Department at Soloy.
